CHRISTMAS DAY

AT LOUNGE INDIA

MENU

Ever since we opened our doors, Christmas Day has been something our guests have asked us about year after year. This Christmas, we're delighted to finally say yes.

For our first Christmas Day, we wanted to create a menu worthy of the occasion. We've spent time developing and refining each course, bringing the traditions of Christmas together with the Indian and Bengali flavours that have always been at the heart of our cooking.

Festive favourites and familiar winter comforts run throughout the menu, alongside dishes created especially for the day. Each has been given our own touch while keeping the warmth and sense of occasion that belong around a Christmas table.

After years of being asked, we're incredibly proud to finally welcome you for Christmas Day at Lounge India.
